Marathon – Krida Mahotsav

Genesis 2022 Sports Event organised by **DVVPF'S COPT**. The event was successfully held with enthusiasm and joy because of everybody's participation. Students from 2nd, 3rd, 4th and intern batch participated along with Respected Principal Dr. Shyam D Ganvir and other Staffs. This year students were allotted in four houses i.e Ruby, Topaz, Emerald and Sapphire . Students played and competed for their respective Houses .

The event started at **7.00 am** near Sports complex where everybody reported and there was a **Zumba session** . All Students sportingly participated and showed their enthusiasm . For zumba students were aligned in rows according to their houses. Further on **7.30am** there was **Marathon** for every student, the marathon began from sports complex till helipad where the winner of marathon was declared.

The winner for the marathon :

Mr.Kiran Budhanar - 3rd year student from Topaz house.

Miss.Samruddhi kodgaonkar – Intern from Ruby house .

After the Marathon, there was **Inauguration ceremony** held at **helipad** around **7.45am** . There was **ribbon cutting** and **balloon flying** by our **honourable Principal Dr. Shyam D Ganvir** and the **winners** of Marathon. Students were arranged in rows according to their houses and there was one representative from each house holding the flag of their respective houses . There was **Oath** taken along with **National Anthem** and **sports song** sung by **Miss.Shrutika Khatale** , **Miss.Prapti Vaidya** and **Mr.Kabir Ghai** , all from **Final year** with all due respect . Also the Slogan of Genesis 2022 was enchanted by the students initiated by The Principal Dr. Shyam D Ganvir “ **Effort to win is winning**”. From 8.00 to 8.15 am there was **breakfast** distribution and later all the futher outdoor and indoor games begun. All the students and staffs sportingly and . enthusiastically participated and enjoyed the event.

To,

The Principal

DVVPF'S college of Physiotherapy, Ahmednagar.

Report regarding Educational visit at Paraplegic centre, Kirkee, Pune.

College of Physiotherapy, Ahmednagar organized the educational visit at **Paraplegic Centre, Kirkee, Pune**. All the Interns, two staff members along with Principal of the college visited the the paraplegic centre with prior permission from the army authority. All left for the visit at 6:30 am in the Bus arranged by the college and Reached at the place by 10 am. There welcome and aim and working of the centre was explained briefly by the retired Lt. Col. Sir.

We observed the centre, the rooms for the paraplegic or quadriplegic people was so clean and well organized so that all necessities were in reach, also the outdoor beauty was able to see from the window only, washrooms for them was easily accessible and spacious. Their kitchen was so clean dining area has tables are arranged for easy access. There were religious centre like temple, masjid was there to gain peace. It was like home to them.

Dr. Vithalrao Vikhe Patil

Then visited the Art gallery where the beautiful paintings was there, mouth painted by quadriplegic people some of them was achieved noble prizes and started earning through the paintings approx. 150 dollars. It boosted the confidence and happily they are living there lives. Also visited the Extra curricular activity section where the basketball court, swimming pool Auditorium was there; After 5 there paraplegic people come and play these sports , In auditorium they also show latest movies. They trained the paraplegic people for the paraplegic Olympics. They have won many matches also. Because they believe **“It is not the DISABILITY but the ABILITY that counts”**.

All students also visited the the Rehabilitation centre, at the army hospital where the resident doctor explained the rehab of the patients from acute stage, sequence of the rehabilitation program. There was latest equipments there for the patients the achieve independence. Schedule of the treatment was at morning by the professional Doctors and Physiotherapist, Almost 55 physiotherapists are working there. And after lunch and rest they go for their extra curricular activities with the care giver.

They make sure that the patients should feel like a Home.

Students learnt a lot about how rehab the patient physically, emotionally , mentally and vocationally and thanking for the visit.
