- 1. Krida Mahotsav :-** Every year sports events are organized for the allround development of students. These include indoor & outdoor games. This year the event was organized house wise Topaz, Ruby, & Sapphire. Overall Topaz was the overall winner.
- 2. Cultural Program :-** It was organized in the month of July. All students participated in the event. The special feature of the program was them based dance. The theme was Covid Rehabilitation. It was well appreciated by guests.
- 3. Abhivyakti :-** It is a online program where in students are given a topic to talk about 10 programs were conducted & on an average 50 students participated in it Students were enthusiastic to participate in the activity & expressed satisfaction over their performance. For each program 3 students acted as a volunteer for technical & administrative work.
- 4. Fun & Food :-** To develop enterprenual skills, among students along with entertainment, fun & food event was organized. Students established the stall, made business based on the talent of making food & games for customers. It was attended by other faculty students such as Medical, Nursing, Engineering & also teaching & Non-teaching staff Members.

- 5. Educational visit:-** A visit to Paraplegia center in Pune was made by interns under the guidance of Principal sir. Holistic concept of rehabilitation was described to the students by the commanding officer of rehabilitation Unit. This center as specifically devoted to the soldiers & students got to know about the efforts of our government to rehabilitate the soldiers . It was an enriching experience which an individual student would treasure life long.
- 6. Participation in & out of Institute activities :-** Students participated in innovation co-curricular competitions based on Physiotherapy related Instruments in the west zone conference. Also Drawing & dance competitions organized by the Association received a good response from our students.
- 7. World Physiotherapy Day :-** A theme based skit & dance performance was organized on the occasion of world Physiotherapy day. Theme was long Covid & Rehabilitation. The skit was performed inside the campus as well as on prime locations of the city for the awareness of general public.
