**REPORT ON OPERATIONAL FEATURES OF THE
FACILITIES/PROCEDURE**

Dr. Vithalrao Vikhe Patil Foundation's College of Physiotherapy organized Integrated Model for Learning Disability on 16/08/2023 to 17/08/2023 The integrated model program was scheduled for two days. The model was prepared based on the new version of Disability guidelines.

The program started at 9:00am which was proceeded by inauguration ceremony followed by the lecture given by Dr. Shyam D. Ganvir in which Interns and PG students were introduced about the basic of the disability.

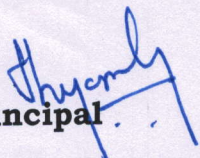

On 16/08/2023 from 10:00am onwards department wise session on various types of disabilities was given by every staff of respected department on disability. It was continued till 1:00pm. In that every student learnt about the guidelines of disability, **"knowledge and insights"** about the Gazette, and certification process of disability. Each session was scheduled for 45 minutes.

From 2:00pm afternoon session was started for the practice on disability calculation on multiple disabilities and recorded on evaluation sheet. After that short field visit was taken in that teaching staff and students were visited to our District Disability Rehabilitation Centre. They introduced about the signs/symbols for the disabled people which were helpful for daily activities and intruded about barrier free environment (ramp, rails, toilets etc.)

On 17/08/2023, the program was started with theory session on the remaining disabilities. In the afternoon disability calculation was done by every student on given sampli. After that one small session was on basic wheelchair training which was used by every disabled people. The program was end with the post-test and valedictory session.
