### MUHS Curriculum Feedback Analysis – Teachers

Academic Year: 2023-24

### Action Taken Report

Sr. no.	Issue	Resolution	Action Taken
1.	There is overlapping of some topics in different subjects.	Such topics can be identified and can be the good examples for integrated teaching.	Syllabus revision committee was constituted at the College level and integrated teaching modules are being proposed.
2.	MCQs should be included in the UG exam.	The suggestion can be sent to the University.	Letter sent to the University recommending MCQs to be included in the major subjects.
3.	Text books and reference books mentioned in the syllabus need to be revised in terms of editions, easy language, utility to our profession.	Scope for adding new books is explored.	Syllabus revision committee was constituted at college level and list of books was revised. It will be sent to the University for consideration.
4.	Didactic hours mentioned in the syllabus do not match with the actual hours.	Discrepancy can be utilised by converting it into practical based teaching.	Syllabus revision committee was constituted at college level and discrepancy was identified. It is communicated to the University as well as converted into practical-based teaching at the Institute level.
